<b>Re:</b>	Montana Amended Rules for Community AED Programs

Effective November 21, 2020, the State of Montana amended the Administrative Rules of Montana (ARM) related to automated external defibrillators (AED) including ARMs 37.104.601, 37.104.604, 37.104.606, 37.104.615 and 37.104.616. MMIA encourages cities and towns with AED programs to review the amended rules and update their programs as necessary to comply with the changes.
