

Defensive Driving

MMIA is offering Member-Owners the National Safety Council's 4-Hour Defensive Driving Course. This is FREE of charge and is conducted by a certified NSC Instructor from MMIA.

What to Expect

- ***WE COME TO YOU!***
- How to identify personal driving behaviors and tendencies.
- How to evaluate current choices and behaviors, then identify alternative driving choices.
- Recognize potential hazards when driving and make appropriate driving choices to avoid those hazards.
- How to choose safe, responsible, and respectful driving behaviors in different driving situations and conditions.
- Identify the 6 Deadly Choices of driving and how to eliminate them.
- Plus much more.

Contact Jim Brandley to schedule training for your employees.
